

Head of Corporate Real Estate Management
(Business Hub RWE)

Svenja Behr

With over a decade of experience in the RWE-Group and the global property sector, Svenja is responsible for the strategic management and further development of the Group-wide property portfolio.

She combines in-depth expertise in the management, operation and development of property with deep market knowledge in Europe, Asia and the USA. Svenja sets clear strategic guidelines for customer-orientated solutions and ensures that business decisions are both economically and future-oriented.

relationships with internal and external stakeholders, she creates a culture of collaboration and successfully drives transformation processes. As an international leader, she fosters a collaborative, results-orientated working environment with room for innovation. Her claim: operational excellence - always with the customer at the centre and a clear focus on efficiency.

As Head of Corporate Real Estate Management, Svenja and her teams are responsible for the Corporate Real Estate Management Business Hub for the entire RWE-Group.

Through her ability to build stable and trusting

1 What gives you most satisfaction in your work?

What I particularly like is the diversity of my tasks and the close collaboration with a wide range of stakeholders across all RWE- companies. Whether hybrid office concepts or the development of international locations - the internationality, the proximity to the core business and the direct view of new needs throughout the Group make my work particularly exciting and enable me to play an active role in shaping transformation processes.

2 Why did you choose RWE TI?

Our vision and values fit perfectly with my understanding of modern, future-orientated work. The collaboration in international and diverse teams, the high level of innovation and the opportunity to create modern working environments for all RWE companies make RWE TI particularly attractive to me.

3 What three words best describes you?

Team player - Customer centric - Results orientated

4 „Our aim is your success.“

For me, this message means that customer focus, trust, integrity, entrepreneurial thinking and collaboration are at the centre of everything we are doing.
